The Adventures of Billy the Polar Bear

Mrs. Dube's Class

A polar pal has come to visit HCA in Room 105. We have been learning about seasons and winter animals. Billy, the polar bear, went home with each student nightly. The students had to include the polar bear with his/her activities throughout the evening. Billy had to be kept in his cooler except for special activities with each student. Students had to write or draw about their nightly adventure with Billy. Billy was seen all over Plant City! Billy visited such places as McDonald's, Taco Bell, 7-11, the doctor's office, and the basketball court. Our class could not wait until we could share all the adventures of Billy the Polar Bear. Billy wants to thank each of you. Billy has found his parents and has returned to the land of ice and snow.

Thank you,
Mrs. Dube
